

## Pre-Service Teacher Placement List of College & University Partners

The Madison Metropolitan School District hosts practicum students, student teachers, and fieldwork interns each semester. We know pre-service teachers and professionals play an integral role in supporting a great experience for all MMSD learners. All colleges/universities seeking pre-service placements with the MMSD must become a contracted partner and must follow our placement procedures.

The following colleges and universities are approved to seek pre-service placements with the Madison Metropolitan School District. If your college/university is not on this list, please contact Emily Nyquist or Shauna Sendelbach in the Human Resources Department.

A.T. Still University  
Beloit College  
Boston University  
Bryant and Stratton College  
Cardinal Stritch  
Carroll University  
Clarke College  
Concordia University WI
