

Pre-Service Teacher Placement List of College & University Partners

The Madison Metropolitan School District hosts practicum students, student teachers, and fieldwork interns each semester. We know pre-service teachers and professionals play an integral role in supporting a great experience for all MMSD learners. All colleges/universities seeking pre-service placements with the MMSD must become a contracted partner and must follow our placement procedures.

The following colleges and universities are approved to seek pre-service placements with the Madison Metropolitan School District. If your college/university is not on this list, please contact Emily Nyquist or Shauna Sendelbach in the Human Resources Department.
